

National linkages

We are building and strengthening a number of relationships with New Zealand colleagues working in and around local government issues. These include central government departments and entities, representative bodies, independent agencies and consultants, researchers, and progressively, with each local council.

International linkages

An informal partnering arrangement exists with the Centre for Local Government at the University of Technology (UTS) in Sydney, Australia.

Along with 160 other members, the Local Government Centre is an associate member of Commonwealth Local Government Forum (CLGF), based in London.

<http://www.clgf.org.uk/>

Concurrently, we are building collaborative relationships with a number of UK think tanks pursuing local government issues.
