

The Super City Structure...

Mayor, Council and Local Boards.

6 October '09

This complimentary seminar brings together the expertise of Kensington Swan's local government team, and the research and policy skills of the Local Government Centre to provide you with a unique opportunity to consider how best to prepare for the new Super City structure established under the Local Government (Auckland Council) Act 2009.

Seminar format

- 4 - 6 pm with post-seminar drinks included.
- Practical usable advice on how to prepare for the structural changes established under the Local Government (Auckland Council) Act 2009.

Seminar take outs

- The legal and structural issues of integrating the purpose, role, powers and delegations of the Mayor, Auckland Council and Local Boards within the local government and Auckland Council legislative framework.
- The implications of the legal and structural issues for democratic local decision-making and social, economic, environmental and cultural well-being.
